# DIAMOND VODKA

Diamond Vodka featuring the number 7 is often considered lucky with a definite mystique and uniqueness perhaps because it is a prime number that is, it cannot be obtained by multiplying two smaller numbers together. Diamond Vodka number 7, produced and bottled by the Diamond 7. Bottling Company combines the very best of American heritage, and luxury with our signature decals to create a truly exceptional ultra-premium vodka. Seven times filtered, and five-times distilled, and made with the finest 100% corn from the American Midwest, our signature 7.

## TASTING NOTES

Diamond Vodka is crystal clear, with very clean and crisp taste on the palate. There is a slight warming of alcohol as it goes down the throat with no burn, and we use water sourced from an alluvial aquifer, making it pure and clean. Made with 100% Midwestern corn, distilled 5 times for purity then filtered 7 times through a charcoal filter, to create an ultra-premium vodka. Diamond Vodka 7 is perfect neat on the rocks or in a Martini, breathing character into any cocktail.
