KENTUCKY STRAIGHT BOURBON

Barrel & Crow Kentucky Straight Bourbon is crafted in the heart of bourbon country and inspired by the crow - a symbol of instinct, intelligence, and resilience. Aged in new charred American oak, it delivers balanced notes of caramel, toasted oak, and vanilla with a smooth, lasting finish. Honest, dependable, and unmistakably Kentucky, this is bourbon made the right way - patiently matured and carefully blended for those who recognize quality when they taste it.

Like the crow, it stands for awareness, balance, and reliability - qualities reflected in every bottle. Crafted with respect for tradition and a steady hand, this bourbon is a tribute to hard work, character, and the simple reward of a well-earned pour.
