

Christmas with Chateau St. Nicholas

Bring the spirit of Christmas to life with the Chateau St. Nicholas Peppermint Gold Edition - a festive centerpiece designed to be seen, heard, and shared.

Crafted at 30% ABV, this smooth peppermint liqueur delivers a cool, refreshing finish and is infused with shimmering edible gold flakes. The illuminated bottle features integrated LED lighting and built-in speakers that play classic Christmas carols, transforming the bottle into part drink, part holiday decoration.

Designed for gifting, celebration, and display, Chateau St. Nicholas turns a bottle into an interactive Christmas experience and a memorable holiday conversation piece.
